

Six Foot Track Marathon

2009

Po Box R1227
Royal Exchange
Sydney NSW 1225
www.sixfoot.com

Welcome to the results booklet for 2009 !

Incredibly, we completely filled our race quota of 850 runners about a month before race day and most importantly a good percentage of you finishing within the time limit (849 starters, 814 finished, 809 finished within the 7hr cut-off). We only had a very small percentage of runners fail to complete the course, as always, so feel pleased that most runners

were well trained for the particular challenges the course has to offer. Our first aid people reported a lot fewer medical cases this year and once again no runners were evacuated to hospital!

We were all astounded and well impressed by local Blue Mountains runner Ben Artup, who runs under the name "Sleep Train" who not only won the race but set an incredible course record by a margin of 8 minutes – his time was 3:15:25. Vanessa Haverd from the ACT became the 2nd female ever to run under 4hrs when winning in 3:58:00 – a truly inspired run.

Most runners we have received feedback from appeared to enjoy the event (most of which can be read by all on the CoolRunning Messageboards). The weekend was aided by the cooler weather at the start and some moisture on the track that helped runners' footing.

Many thanks to the Sydney Striders who played a crucial role in organising the event this year – the race is getting too big for a few people to put on – all up there must have been 60+ striders and others that played their part – and that is on top of the RFS who supplied literally hundreds of crew for the aid stations and on the day logistics.

We are finalising the race finances but plan to hand over a cheque to the NSW Rural Fire Service Blue Mountains District for approx \$30,000 as proceeds from the event as well as the \$14,000 that was raised via the mycause website. Due to the very generous donations received from the runners entries, we will also be able to pass over approx \$5000 to the Six Foot Track Heritage Trust to assist in trail maintenance and the provision of facilities for hikers (and runners!) along the Six Foot Track.

As per last year, we have combined forces with the Australian Ultra Runners Association to produce this bumper Six Foot Track Marathon Results package and combined Ultra Mag – the race was the National Trail Ultramarathon Championships once again and as you can see they produce a fine magazine and we are proud to be associated with them – feel free to subscribe to AURA to receive future issues and help contribute to our sport.

Runner reports, comments and feedback etc from this year's event are posted to our website www.sixfoot.com - feel free to look at these and all previous year's results and add your comments about the event, or read those from other runners.

Finally, myself and the rest of the race committee hope that you can join us again on Saturday 13th March 2010 for the 27th annual Six Foot Track Marathon. We will open entries on 1st December 2009, so please get in very quick as we will be filled by Christmas!

Race Director

As always – we appreciate and listen to your feedback – please use the address or website as above.

Australian Trail Ultramarathon Champs

We were very fortunate that the Six Foot Track Marathon was again selected as the Australian National Trail Ultramarathon Championships again. To be eligible for the Championships, runners had to be members of AURA (Australian Ultra Runners Association – see www.aura.asn.au) by the time the race started. The top 3 males and females each win a trophy. The championship results are as follows:

Male

- 1 Tim Cochrane (NSW) 3:33:08
- 2 Anthony Scott (ACT) 3:39:06
- 3 Tony Fattorini (NSW) 3:41:08

Female

- 1 Jackie Fairweather (ACT) 4:02:40
- 2 Colleen Middleton (NSW) 4:03:51
- 3 Tressa Lindenberg (QLD) 4:45:18

Team Results

The Sydney Marathon Clinic (www.sydney-marathon-clinic.org.au) very generously donated individual medals for each of the winning teams, fastest female team and fastest male team, emphasising quality over quantity. Each team must have at least 6 runners, each runner scoring points for how far up the field they finish (best 6 runners counted).

Female

- 1. 26:31:11 - Gramps' Army (Female)**
Vanessa Haverd, Jackie Fairweather, Fleur Flanery, Narelle Patrick, Elizabeth Bennett, Kerrie Bremner
