## Newsletter #1 - November 2024

Welcome to the 2025 Six Foot Track Marathon.

We are looking forward to having you all back this year on our revised course and finish line area.

### RACE DIRECTOR MESSAGE

I would like to extend a warm welcome to all runners, volunteers, partners, and spectators to the 2025 edition of the Six Foot Track Marathon. This year marks the 38th running of this incredible event, and it has been an amazing journey for everyone involved.

The Six Foot Track Marathon always brings together runners and volunteers for an unforgettable experience on the stunning trails of the Blue Mountains, NSW. Our top priority remains to ensure that everyone has the best possible experience.

As a committee, this time of year is always exciting as we begin planning and preparing for race day. We have already started discussions with our partners and submitted race approval applications to the relevant local government departments.

The Six Foot Track Marathon will take place on Saturday, 8 March 2025. The course will be the same as the 2024 marathon, finishing at Jenolan Caves Binda Cottages.

I wish you all the best in your entry, preparation, and reunion with fellow runners. May you create lasting memories on race day.

I look forward to seeing you all, whether you are running or volunteering, for the best day on the running calendar.

Have fun!

Mohammed Alkhub

Race Director

## COURSE & FINISH LINE

We look forward to delivering another fantastic Six Foot Track Marathon event in 2025!
